Sir, the plane is taking off. Please shut off your phone.

If I don't?
Popular idol: Ethan

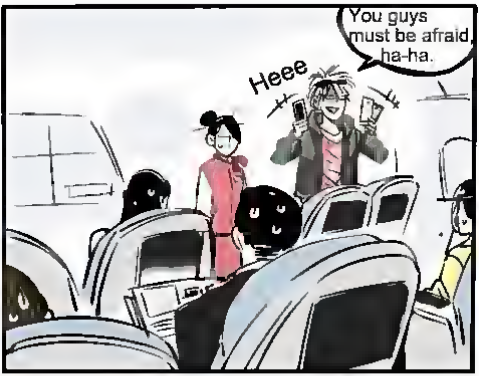
Sir, for the safety of your own and the others, you have to shut off your cellphone.
Why?

Ah?
I don't understand.
If cellphones are really so dangerous, why the terrorists still bother to use explosives?

For example.

I have controlled the plane with these three cellphones!
Stay put if you want to live! Otherwise, I'll turn them on with only one click!

What's more, I'll turn off the airplane mode!



You guys must be afraid, ha-ha.

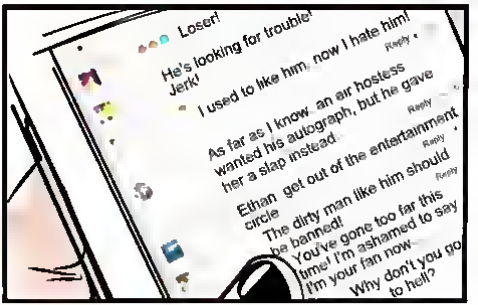
Not only refused to shut his phone off but also slapped the Stewardess's face with 3 phones to threaten her!



Loser!
He's looking for trouble!
Jerk!
I used to like him, now I hate him!

The dirty man like him should be banned!
You've gone too far this time! I'm ashamed to say I'm your fan now
Why don't you go to hell?
